

SUMMER TOGS  
ON THE COURTS

Worsted, plain and striped, of a light weight, develops this short skirt and slip-on coat, which is trimmed with picturesque advantage with the stripes. Two pearl buttons close the coat, and the pocket lids are constructed to hold tennis balls. The colors are deep cream and sage green, the hat matching.

## TODAY'S POEM

## MANY IN ONE

To the red and the white and the blue,  
here's a health!  
To the old and the young and the  
man that's to be,  
Not fame will I wish them or too much  
of wealth,  
Nor peace without honor, nor quiet  
that's not free.

To the North, to the South, to the  
East, to the West,  
To the blue and the gray, they're all  
one color now.  
To the poor men that work and the  
rich men that rest  
To the men of the pen and the men  
of the plough!

Here's a health to them all, from  
wherever they come!  
May they learn one short lesson by  
head and by heart,  
That the figures are weak till they  
make up a sum!  
That the whole is a whole and a part  
is a part.

The red and the white and the blue  
are but one,  
And the flags of all nations were  
dipped in the sea  
When their children set face to the  
western sun,  
No Teuton, no Celt, all Americans  
we.

—Maurice Francis Egan.

## CORNER FOR COOKS

## SPONGE GINGERBREAD

Half a cupful of molasses, three-fourths cupful brown sugar, one-half cupful of lard, melted; one egg, one-half tablespoonful soda, one-half cupful boiling water, two and three-fourths cupfuls bread flour, one teaspoonful salt.

Dissolve soda in boiling water, add to other ingredients in the order given and bake in a dripping pan in a quick oven for 20 minutes.

## CHEESE BALLS

One cup of grated cheese, one-half cup of fine breadcrumbs, five drops of table sauce, one egg well beaten. Mix together, roll into small balls and just before time to serve plunge into hot fat. Fry a delicate brown. To be served with hot salad.

## CREAMY RICE PUDDING

One quart of milk, four tablespoons of rice, heaped, four tablespoons of sugar (more if you want it sweeter), a little salt, about a half teaspoon of cinnamon; bake about two hours in a moderate oven, stirring frequently in the beginning to keep the rice from settling; when done, the rice should be well swollen and tender and the milk creamy. Don't let it cook until thick and stiff. Serve cold.

It must be baked very slowly, not more than a gentle simmer.

## CORN CUSTARD

Take one can of corn and put through meat chopper, mix with a cup of milk and the yolks of two eggs beaten well, with salt and pepper. Put in baking dish, dot with bits of butter and bake.

## WHITE LAYER CAKE

One and a half cupfuls granulated sugar, one-half cupful of butter, one cupful of milk, three cupfuls pastry flour, four teaspoonfuls baking powder, one teaspoonful vanilla extract, six egg whites.

Cream the butter, add sugar gradually and cream till very light and fluffy. Sift flour and baking powder together three times, add this alternately with the milk to the first mixture until all is used. Then fold in the egg whites beaten stiff and the vanilla. Bake in three small pans for 40 minutes in a moderate oven, for the first 30 minutes, then at a lower heat. Put together with thick boiled icing.

## BOILED TONGUE

Boil two tongues in salted water until tender. This will take about three hours; remove from the kettle and skin. To three cups of the liquor add two-thirds cup of vinegar, one cup of sugar, a clove of garlic, one-half dozen kernels of allspice, a bay leaf, two cardamom seeds, two slices of lemon and two dozen raisins. ## JUNE White SALE

34 Depts. Have Combined For Dorsen's Gigantic June White Sale  
BEGINNING TUESDAY, JUNE 6th

Upstairs and downstairs—every department is co-operating. This page is filled to the brim with economy news. To have a most remarkable June month is our ambition, and this week of June the 6th to the 11th, should prove the greatest selling days in all the month. If we could place before you the thousands of dollars' worth of new and wonderful merchandise, procured particularly for June's selling, and show you piece by piece, the extraordinary values, then you'd let nothing keep you away from Dorsen's tomorrow and all this week.

## Thousands of Fresh, Beautiful White Undermuslins at Decided Savings

This is a yearly event timed for the season of greatest need. For June wearing-white betrays surprisingly the shortcomings of one's Summer wardrobe; and many a trousseau must be gathered for brides-to-be.

So here is the 1916 June Outfitting Sale—unusual in the charm and diversity of its preparation; and planned with the serious intent of making every dollar go a great deal farther than at other times. The saving it affords are substantial in the face of constantly rising costs.

Every item below invites comparison to the penny with anything offered elsewhere. They will prove brilliantly the economy-importance of this Event. No matter how inexpensive a garment—and there are many extraordinarily so—care has been taken to assure liberal cut, neat finish, tasteful designs and trimmings, in accordance with the new styles, and, above all, practical service.

Corset Covers  
and Camisoles

turn the tongue to this mixture and boil slowly one hour. When ready strain the liquor and thicken slightly with flour, returning the raisins to the sauce. Turn over the tongue and serve.

## Taking Chances.

It does not pay to take chances with your refrigerator. A noted government authority recently stated that most refrigerators are not over

30 per cent. efficient. They do not provide the proper circulation of air, and the result is stagnation and a dangerous possibility of tainted food. The White Mountain refrigerator, sold at Nothnagle's busy home-furnishing store, is built on scientific lines and would not only be an excellent investment from a health standpoint but would save its price in two or three seasons in the ice it saves. The White Mountain line which is again on the floor of this

James Trumbull Leaves  
Estate to His Widow

Judge of Probate Paul L. Miller has set June 9 as a date for the hearing of the question of the admission to probate here of the will of James Trumbull, vice-president of the Connecticut Electric Mfg. Co., of this city. Mr. Trumbull died at Saratoga Lake, New York, April 28. He had

been afflicted with lung trouble and had gone there for treatment. Prior to this he had been ill in the Royal Victoria hospital, Montreal, Can., and while there he drew his will in which he leaves all he possessed to his widow, Dame Alice E. Laudner. She is also named executrix without bond. The extent of Mr. Trumbull's estate is not known but it consists principally of his interest in the company of which he had been vice president since the death of his brother, Isaac B. Trumbull, who went down on the ill fated Lusitania.

Besides his widow he is survived by his parents, Mr. and Mrs. Hugh A. Trumbull of Plainville and two brothers, Alexander H. Trumbull, president and treasurer of Connecticut Electric Mfg. Co., and president of the Trumbull Motor Car Co., Frank S. Trumbull, secretary of the Connecticut Electric Co., and vice-president of the Trumbull Co. He was buried at Plainville.
